Dear Greame,

On Behalf of the IMSA Atlantic Section, I would like to take this opportunity to acknowledge the generous donation you have given us. It is our goal to grow and provide the best support possible to our section members and the IMSA. Your offer will go a long way towards that goal.

We recently had our first technical session which was very well attended. In March our first Certification Courses will be held for Traffic Signals Level I and II.

Wish us well as we move forward. We will rely on your wisdom and support when needed.

Thanks again for your generous support.

With sincere Thanks
